

# Malvern Inventors Club

## Malvern Inventors Club Newsletter - April 2007

Next Meeting Date: 10th May 2007 @ The Learning Zone - 7:00pm

A couple of months ago we were asked to do an inventors club after school at St James. In the meeting we received some information from [Imagineering](#) (Alastair Graham Bryce) about the school club. He said the course is to last throughout the year. The 14 kits will cost £587.50. The tools and equipment will be a one-off payment of around £130. We suggest charges to pupils at around £1 per head. A police check (CRB) on tutors. The insurance and finance needs setting up. Alastair Graham Bryce is willing to give members interested an introduction and induction session.

Casey Jones, from "Dragons Den", has set up a company [www.inventors-showcase.co.uk](http://www.inventors-showcase.co.uk) & [innovations4u.co.uk](http://innovations4u.co.uk). He says he has an open door to BBC for inventors and inventions partly thro Nick Owen & is struggling to find new inventions & innovators. He will also compile a video & will provide free sponsorship (which he already has) so there will be no charges for this service. With his backers it will bring in the "big players" to the market.

Malcolm Victory from [1% Studio](#) has booked a stand for "The Spring Garden Show" at the Three Counties Showground. He wondered if the Inventors had any

plans for this, in which case he could share his stand. Contact Malcolm for more information.

### Upcoming Events:

- There is an [Imagineering](#) Fair later this year, from around the 27<sup>th</sup> October to the 17<sup>th</sup> November at Jaguar Exhibition Halls, Ricoh Arena, Coventry. They are looking for inventors and inventor clubs to "Excite" the imagination of youngsters especially with hands on activities that they will enjoy. Several major inventors like Trevor Bayliss will be there with items including models made from meccano to wind up radios.
- A "Going for Green" festival at Ragley Hall 5th-7th May is a way to having a greener life. Green Future Festivals are looking for inventors wishing to participate. For more info see their website: [www.ragleyhall.com](http://www.ragleyhall.com) or contact Janet Mills at Ragley Hall on 07884 328456.

### Other News

Anyone can have 'The European Computer Driving Licence' for £155 via "The Learning Zone". People without level 2 qualifications may be eligible for free training.
